Parental Consent for College of the Desert's
Introduction to Theatre Class

A parent or guardian must sign and return this form consenting to the involvement of their child with taking the College of the Desert class at Palm Springs High School.

I, _____, am the parent or guardian of
_____ and I understand that my child will be enrolled
in a college level class first semester. I understand that some of the content my child will be
reading and seeing will sometimes contain mature content. I understand that once my child is
enrolled in the class they are unable to drop it, and this can affect their college transcript. I
understand that there will be a lot of reading that will be required for homework and that there
will be five essays throughout the first semester that they will need to complete. I understand that
my child will need to spend time each night studying for this class in order to be successful.

In order to provide my student with a college level education at the high school setting I
have agreed to the above.
